The Illinois Sewing Machine Company have just contracted with the undersigned firm for their northwest Missouri agency to handle their famous line of NEW ROYAL and other makes of Sewing Machines on a very extensive scale. Now, in order to thoroughly advertise and introduce our new styles, new designs and patents, the manufacturer himself will offer the first car load, 50 Sample Machines, at manufacturer's cost, during special sale only. It's just like 50 customers buying direct from the manufacturer at one time, and saving the jobber's, agent's and peddler's profits.

Come to store to buy. No agents or canvassers sent out. All machines warranted for ten years by the manufacturer and the undersigned firm. Satisfaction guaranteed or your money back. Terms, Cash or easy payments.

It is a bonifide square deal. (solid principles). All machines brand-new. Ball bearing, high grade; high arm; light running.

All attachments and book of instructions free with each machine.

Our reason for giving away machines at factory cost in this sale is to advertise and introduce them.
